TRUEFIT SOLUTIONS INC. NAMED IN PITTSBURGH 100 FOR 3RD YEAR IN A ROW *Annual Award Recognizes Pittsburgh's 100 Fastest-Growing Companies*

September 7, 2004 (Pittsburgh) – TrueFit Solutions was named one of Pittsburgh's fastest-growing companies by the Pittsburgh Business Times for three consecutive years. TrueFit was recognized at a reception at the Duquesne Club on August 25, 2004 along with other companies receiving the award. To qualify for the award, a company must:

- Be a privately held, independent corporation, proprietorship or partnership
- Have 2001 sales of at least \$500,000
- Be a for-profit enterprise
- Allow publication of certain information in Pittsburgh Business Times.

The ranking is based upon percentage growth in revenue in the past three years. TrueFit was ranked as the fifteenth fastest-growing technology company and the 79th fastest-growing company overall, the same overall ranking as in 2003.

According to Alan Robertson, publisher of Pittsburgh Business Times, "The companies included in this year's Pittsburgh 100 are a diverse group. The combined revenue is more than \$10 billion and they employ more than 33,000 people." Founded in 1997, TrueFit employs 35 and has hundreds of customers nationwide.

"TrueFit once again is honored to be ranked among the region's fastest growing private companies", states Darrin Grove, Founder and CEO. "We hope to be on the list again next year!"
