TRUEFIT SOLUTIONS INCREASES REGIONAL STAFF BY 14% IN PAST TWO MONTHS

Demand for Company's Services Met by Recent Hires and Innovative Internship Program

July 28, 2003 (Pittsburgh, PA) TrueFit Solutions today announced a series of new hires over the past two months that increased their total staff by 14% to 35 full-time employees. Headquartered in Cranberry, TrueFit is one of the region's fastest growing technology service providers, with expertise in customer relationship management (CRM) and enterprise resource management (ERP) business solutions.

"We are pleased to be in a position to continue to grow our team in today's economy", said Darrin Grove, TrueFit's President and CEO. "Companies are always looking to increase the value they receive from new and existing business solutions, and TrueFit has tremendous expertise in this area."

TrueFit's new hires are employed in most areas of its business, including software engineering, quality assurance and sales and marketing.

TrueFit also continues its innovative internship program with Grove City College, located in Grove City, PA. This summer, five (5) third and fourth year students were provided with paid summer internships, developing their skills in areas such as programming, networking services and web design. Mr. Grove is an alumnus of Grove City College and is one of the Advisory Group members for the new entrepreneurship major at the college.

"TrueFit Solutions has been an extremely supportive corporate partner," states John Sparks, Chairman of Grove City College's Department of Business. "Through TrueFit's commitment, Grove City has been able to provide its students with a very strong, positive corporate experience

at a growing technology company, and TrueFit's entrepreneurial success has helped to shape our new major."

TrueFit Solutions has been recognized as one of the fastest-growing private companies in Pittsburgh and was named as a top 10 finalist in the annual Pittsburgh Technology Council Tech 50.
